DEFENCE+ ROOM SANITISER

DESCRIPTION

Long lasting protection against germs and viruses

BENEFITS & FEATURES

- * Button can be clipped down so it can be left in the room until the can is empty
- * Only takes 20 minutes to fully sanitise the room
- * Leaves no residue
- * Can be used in aeroplanes, train carriages and other large spaces
- * Leaves the room smelling fresh
- * Leaves an antibacterial coating on every surface in the room
- * 1 x 200ml can does 100m³ - 1 x 200ml treats a room 5x5x3m

WHERE TO USE

Perfect for use in aeroplane cabins, train carriages and other large spaces

HOW TO USE

Simply place the can on the floor clip the button down and allow the whole can to empty, filling the room with the product. Enter the room after 20 minutes to find it smelling fresh, having left an antibacterial coating on every surface that evaporates during the 20 minutes you're waiting. It leaves no residue
