Geiriadur  
Cymraeg a Saesneg  
o Dermau Chwaraeon a Hamdden

MEYSYDD CHWARAE  
CENEDLATHOL CYMRU

## **Cymdeithas Genedlaethol y Meysydd Chwarae / The European Language Initiative**

### **Casgliad o Dermau Chwaraeon a Hamdden yn Gymraeg a Saesneg**

#### **Cefndir**

Ffrwyth cydweithio rhwng Cymdeithas Genedlaethol y Meysydd Chwarae (yr NPFA) a The European Language Initiative (TELI) yw'r casgliad hwn o dermau chwaraeon a hamdden. Cafodd y prosiect gymorth ariannol gan Fwrdd yr Iaith Gymraeg, a hoffem gydnabod eu cyfraniad gyda diolch.

#### **Hanes termau chwaraeon a hamdden yn y Gymraeg**

Mae hanner can mlynedd a rhagor ers i rai termau chwaraeon gael eu bathu yn Gymraeg. Un o'r rhai cynharaf i'w defnyddio mewn print oedd Dr Gwent Jones, Abertawe, yn ei erthyglau papur-newydd ar gemau rygbi rhyngwladol. Wrth ddarllen ei erthyglau, fe welwn iddo fabwysiadu mwy a mwy o dermau wrth i eiriau fel 'bacs' droi'r 'gefnwyr', ac ati. Bu sawl un wrthi'n bathu termau dros y blynyddoedd a'r pennaf ohonynt, wrth gwrs, oedd Eic Davies, a gafodd gyfle drwy'r cyfryngau i ledu cymaint ar dermau Gymraeg nes iddynt gael eu derbyn a'u defnyddio'n afieithus gan wylwyr a chwaraewyr fel ei gilydd. Does ond angen gwyllo neu wrando ar raglenni chwaraeon Radio Cymru ac S4C i sylweddoli cymaint y maent wedi tyfu'n rhan naturiol o'r iaith.

#### **Rhesymeg**

Erbyn heddiw, mae mwy o bobl nag erioed o'r blaen yn gwyllo chwaraeon ac yn cymryd rhan ynddynt. Fe hybwyd hynny gan ffactorau mor amrywiol â'r cynnydd yn y sylw a gaiff chwaraeon yn y cyfryngau, a'r cyfleoedd newydd sy'n codi - diolch i'r buddsoddiadau preifath a chyhoeddus mewn cyfleusterau chwaraeon, ynghyd ag ymdrechion cyrff fel Cyngor Chwaraeon Cymru a'r NPFA - i gael hyfforddiant ynddynt a'u mwynhau. Mae'n bwysig, felly, i dermau Gymraeg cywir a phriodol fod ar gael i siaradwyr a dysgwyr yr iaith eu defnyddio wrth drafod eu hoff gampau.

#### **Nod**

Diben y casgliad newydd hwn yw'n helpu i drin a thrafod maes sy'n fwyfwy pwysig i bobl o bob oed, sef chwaraeon a hamdden.

#### **Cynnwys**

Y campau y cewch eu termau yma yw athletau, bowls, criced, golff, hoci, pêl-droed, pêl-fasged, rownderi, rygbi a thennis. I helpu defnyddwyr ifanc, yr ydym hefyd wedi cynnwys detholiad o dermau'r gamp 'Quidditch' sydd mor amlwg yn nofelau Harry Potter gan J. K. Rowling. Gan i ni ddilyn ôl traed cyfieithydd y gyntaf o'r nofelau hynny i'r Gymraeg, Emily Hughes, hoffem ddiolch iddi am fathu a defnyddio'r termau hynny.

Categori pellach o dermau yn y geiriadur hwn yw hwnnw sy'n ymwneud â chwn a pherchnogion cwn. Mae hynny'n adlewyrchu polisi'r NPFA o sicrhau defnydd derbyniol - ac o dan reolaeth - o feysydd chwarae ar gyfer ymarfer cwn. Yn hytrach na cheisio gwahardd cwn o feysydd o'r fath, barn yr NPFA yw bod mynd â hwy am dro yn ffurf dda - i bobl a'u cwn - ar ymarfer corff yn yr awyr agored. O ymagweddu'n synhwyrol at y pwnc hwn, gall fod o les i bawb a gwneud drwg i neb.

#### **Diolch**

Hoffai tîm y prosiect ddiolch i amryw o arbenigwyr a fu'n ffynhonnell amhrisiadwy o dermau dilys ac a roddodd yn hael o'u cyngor. Yn eu plith mae Jane Nockolds, Rheolwraig Hyfforddi Dyfarnwyr Hoci Lloegr, a'r diweddar Jeff Butterfield, chwaraewr rygbi rhyngwladol o'r safon uchaf. Hoffem ddiolch yn arbennig hefyd i Mrs Gwent Jones am dynnu'n sylw at ei chasgliad cynhwysfawr o erthyglau cynnar ac arloesol ei diweddar wr, Dr Gwent Jones.
